

MISTER ROOSTER

Character Bag Puppets

Mister Rooster, Henrietta, Waddles, and Benny.

Supplies:

- Small Paper Bags
- Glue
- Colored Construction Paper
- Colored Markers or Paints

How to make:

To make Mister Rooster take a paper bag. Cut out a yellow triangle from construction paper for his beak and glue to the bag's flap. Next cut out red for his waddle and crest. Cut white circles for his eyes and glue above his beak. Cut two smaller black circles for his pupils. Using paint or markers draw his glasses and his shirt. Cut two small circles for his buttons. Now you have a Mister Rooster of your own! Now try to make Henrietta, Waddles and Benny too!
